

Ground Loop Isolator NVG-003TLIB

Features

- Ground loop isolator with impedance adjustment for twisted-pair video transmission
- No power supply needed

Specifications	Description
Insertion Loss	0.5 dB
Frequency	0-3 dB for 10 Mhz
Input Resistance	75 Ohm
Output Resistance	75 Ohm
Breakdown Voltage	600 VDC
Transient Voltage	12 Vsk
Impedance Matching	Yes
Operating Temperature	0° ~ 55°C
Dimensions (mm)	69 (L) x 25 (W) x 22 (H)
Weight	30 g
Cable Type	CAT 5 UTP
Case	Black ABS
