

Ground Loop Isolator NVG-002LIB

Features

- Ground loop isolator with impedance adjustment for video transmission via coaxial cable
- No power supply needed

Specifications	Description
Insertion Loss	0.5 dB
Frequency	0-3 dB for 10 Mhz
Input Resistance	75 Ohm
Output Resistance	75 Ohm
Breakdown Voltage	600 VDC
Transient Voltage	12 Vsk
Impedance Matching	Yes
Operating Temperature	0° ~ 55°C
Dimensions (mm)	84 (L) x 28 (W) x 21 (H) with 2 x 15 cm-cable
Weight	70 g
Cable Type	Coaxial
Case	Black ABS
